RETAIL SAINTPAULIA PRICE LIST - FALL 1962

LATEST INTRODUCTIONS: Plant $1.00 Rooted cutting 85¢

CONFECTION - Pale pastel pink double, with frilly tips of pale chartreuse. Foliage dark and glossy, a striking contrast to the pastel blooms. CONFECTION blooms very profusely, and "looks good enough to eat". (No rooted cuttings, plants only.)

DIAMOND LIL - Big, buxom peachy-pink double. Tailored, quilted foliage, (not supreme). A beauty! One to an order, please, no rooted cuttings.

FRINGED WEDGEWOOD - A delightful variation of ever-popular Wedgewood. Double blue, with frilled edge, and the distinctive dark foliage is also frilled. This was a sport from Wedgewood. One to an order, please, no rooted cuttings.

L. GREEN - Frilly blue double, with excellent chartreuse edge. Strong, frilled foliage.

ROBBI - Extra large blue double, slightly frilled foliage.

****

BOLD ONE - Bright wine-red double, excellent tailored foliage.

COED - Clear light pink double, quilted foliage.

DELILAH - Vivid raspberry semidouble fringed bloom, beautiful frilled foliage with red reverse.

FANCEE - Raspberry fringed single, shaded deeper. Quilted foliage.

LILI - Creamy pink double, strong tailored foliage. Excellent bloomer.

REBEL - Deep purple double of excellent size and substance. Dark quilted foliage, which shapes up beautifully. Excellent show plant.

PRISM - Fringed fantasy-type double, with streaks and splashes of color. Glossy dark frilled foliage, red reverse. Outstanding!

SEA CHANTEY - Exceptionally bright blue fringed double, slightly frilled foliage. Very pretty.

TINA - Huge pink full double. Supreme foliage, a big proud beauty.

****

FOLLOWING RICHTER INTRODUCTIONS - Plant $1.00 Rooted cutting 85¢

*GREEN DAWN - Bright pink frilled double, with good green edge. Bright green foliage, with a frilly edge which shows the deep red reverse.

*GUMDROP - Sparkling frilly pink double, slightly wavy dark foliage.

*HERITAGE - Deepest dark purple double, tailored foliage. Handsome!

INDIANA BELLE - Frilled semidouble pink with green edge. Frilly foliage.

*LAFEMME - Deep rose-pink semidouble, beautiful dark fluted foliage.

*NIGHTSHADE - Dark blue-purple double. Tailored foliage. Excellent.

*RED CROWN - Glowing wine-red blooms form a pretty red crown on glossy tailored foliage. Excellent growth habit, very symmetrical. A mature plant will produce up to 20-25 flowers and over per stem.

*STAINED GLASS - Exciting color combination. Frilly white blooms, streaked and stained with red. Extremely dark frilled foliage, red reverse. Stunning and different.

*WEDGEWOOD - Beautiful blue double, with distinctive black-green foliage. Number one on list of "100 Best" in June, 1962 African Violet Magazine.

*Asterisk indicates variety has been registered by Richter's Greenhouse with the African Violet Society of America, Inc.

FOLLOWING RICHTER INTRODUCTIONS: Plant 75¢ Rooted cutting 50¢

Please note our new address in Highland, Indiana. This is located on U.S. route 41, 1 mile south of Route 6. We are still operating at both locations, but on pick-up orders, best selection will be at our old address in Hammond, Indiana.

Fall shipping season ends about November 1st, depending on weather. No cold weather shipping as the Post Office allows no claims for frozen shipments. We pack plants very carefully, but in case of any possible damage due to rough handling enroute, we cannot be responsible. You must make claim at your local Post Office.

Orders are sent Insured Parcel Post, Special Handling. Please include $1.00 postage, to partially cover Parcel Post charges and packing costs. If you wish order sent Special Delivery, please include a total of $1.50 for shipping costs. No C.O.D. orders will be sent. Minimum order $4.00, postage extra. For your own protection, please remit by check or money order. Since our stock varies from time to time, depending on demand, we must ask that you list at least one substitute in each price class. If you do not, we reserve the right to substitute (if necessary).

We are African Violet specialists, and are carrying on an extensive program of hybridizing. All of our own introductions have been carefully selected and tested for vigor, high flower count, clear color, strong foliage and good growing habits. Most of the plants will develop two flowering stems per leaf under favorable growing conditions, and will produce a large number of flowers per stem.

ROOTED CUTTINGS are grown in a sterilized rooting medium, with the cluster of plantlets ready to be divided. These are not just rooted leaves, but will have the small plants already developed. We ship rooted cuttings in plastic pots.

PLANTS are in healthy, vigorous growing condition, in 2" pots, grown in sterilized soil. Our greenhouses are state-inspected.
